

**PPRN Quarterly Reporting Template**  
**Work Group: Supply Committee of AHAC**

**Please use % and #'s wherever possible.**

**Empower/Address Needs:**

1) Developing a survey on perceptions on the importance of housing to quality of life

2) Planning a consultation process to engage broader community to address housing issues

**Build Capacity:**

1. Developed "a Roadmap for Developers" re opportunities/programmes to support affordable housing development

Part of 2016 Work Plan Objective: Communication with developers  
(increasing/encouraging developer partnership)

2) Provision of the Roadmap to all townships, community organizations  
Part of 2016 Work Plan Objective: Communication with Townships  
(increasing/encouraging incentives for building affordable housing)

- 6 copies sent to each of the townships.
- 12 provided to Central East Service Manager Network meeting in January. emailed to a number of organizations including: Community Care Peterborough, Chamber of Commerce Social Policy Committee, members of the Supply Committee such as Community Living Peterborough, Christian Horizons,

3) Housing is Fundamental  
10<sup>th</sup> annual report on housing was completed and circulated. 2000 copies printed and presented to a variety of community partners. Used as an important resource on housing trends.

4) Home Share  
Following up to National Housing Day, a community group is exploring the development of Home Share. It is being built on the model developed by Halton's Council on Aging.

**Collaborate:**

1) Working with developers and townships to increase affordable housing development

2) Reached out to the New Canadian Centre re housing needs of the Syrian refugees settling in Peterborough

**Create Change:**

1) Plan to meet with new MP's to discuss findings of consultation and promote the need for housing strategy and present findings from the consultation process
